DESIGN YOUR DIFFUSER INTERACTIVE STATION

Our walk-up Interactive Station is great for reception style events from breakfasts to cocktail hour. It is the perfect addition to any event as an activity and gifting opportunity. For this experience, our fragrance specialists will guide guests to choose from a curated selection of top, middle, and base notes to create their own unique fragrance. Our team will then assist in the blending process, and at the end of the event, each participant will leave with a custom reed diffuser they helped design themselves.

PRICE	INCLUSIONS	REQUIREMENTS
Starts at \$1750 for the first 25 guests (minimum)	Staff	4 - Highboys 30"-36"
Additional \$500 per increment of 10 people	Interactive Station Fragrance Materials	6' banquet table per 40 guests with chairs for blending station
Travel + shipping additional	Diffuser Bottles + Reeds Packaged for travel	Table for diffuser pick-up

PLEASE NOTE:

You will receive the number of diffusers contracted. If fewer people participate, the leftover diffusers will be left with event contact. Just in case, we will bring up to 20% extra diffusers. If more people than originally anticipated participate, we will send a second invoice and charge for the additional diffusers plus 10%.

DESIGN YOUR DIFFUSER WORKSHOP

This one-of-a-kind experience takes guests on a journey through the process of fragrance creation. Led by one of our fragrance specialists, guests will smell 9 fragrant materials while learning about the art of perfume composition and how to blend materials together. Guests will then have the opportunity to curate and create their own custom fragrance, mixed by our expert staff. Each guest will leave with their own custom creation, as well as a new appreciation for the magic of scent. This unique workshop is great for team building and people that are curious about fragrance.
