

INTERACTIVE GIFTING

Treat your guests to a truly unique experience by letting them select their own custom home fragrance. Guest choose from three custom blends, each carefully crafted to tell your event story—whether it's a magical journey through 1001 Arabian Nights or a dreamlike escape in the clouds. We work directly with you to curate the three fragrance options that your guests will choose from.

Our custom fragrance station is tailored to perfectly complement your event decor, with every detail designed to immerse guests in a luxurious experience. Our knowledgeable staff will be on hand to guide each guest through the process, ensuring their scent that resonates with them personally.

Each fragrance is elegantly packaged and TSA-approved, allowing guests to take home a lasting memento of your special day. Elevate your celebration with this extraordinary sensory experience—one that your guests will cherish long after the event is over.
